Honeywell

**COMPREHENSIVE RESOURCES
FOR MODERN APPLICATIONS**

**Honeywell Solutions for
Today's U.S. Army**

Platforms and Products

Maintaining mission readiness is a top priority for the U.S. Army. It's our top priority, too.

Honeywell supports approximately 30 U.S. Army platforms — from Chinook and BLACK HAWK helicopters, to Abrams and Bradley tanks — with a broad range of reliable, proven, products and services.

MH/UH-60 BLACK HAWK

Engine Systems	Auxiliary Power Unit Air Turbine Starter
Avionics	Weather Radar APN 209 Radar Altimeter
Other	Search Light Lighting AC Generator Oil Cooler

M60 PATTON

Other	Generator Generator Control Unit
-------	-------------------------------------

M113 APC

Navigation	TALIN Navigation System on Mortar Fire Control System
------------	--

OH-58D KIOWA

Engine Systems	Control Valves
Avionics	Radar Altimeters Displays
Other	Sensors

CH-47 CHINOOK

Engine Systems	T55
Avionics	Radar Altimeter EGPS / INS
Other	Pitch / Trim Actuators

M1A1 ABRAMS

Engine Systems	Generator Control unit Generator DECU Engine Controls AGT 1500 Main Engine
ECS	CBRN System
Navigation	TALIN Navigation System

M1126 STRYKER

Navigation	TALIN Navigation System
------------	-------------------------

MISSILES & MUNITIONS

Guidance	ATACMS	EGN
	UAV Advanced	GG1320
	MRM	GG5211/5307
	APS	HG1700
	Warrior	HG1700
	P-44	HG1700
	JCM	HG1900
		HG1930
JAGM		HG1900
		HG1930
DAGR		HG1930
MRM		HG1930
Excalibur		HG1930
Hellfire		HG1930
Stinger		HG3500
GMLRS		HG9868
MKV		IGS200
Novel Guidance Kit		IGS220
Common Missile Warning System		IGS300
NLOS-LS		IGS352
		IGS355
PAC-3		SIMU

AH-64D APACHE

Engine Systems	Heat Exchanger Air Turbine Starter AC Generator 36-155 APU
ECS	Environmental Control Unit
Avionics	Radar Altimeters Displays
Navigation	Gyros

M88 HERCULES

Navigation	TALIN Navigation System
Other	Generator Generator Control Unit

M2/M3 BRADLEY

Navigation	TALIN Navigation System
